OIL, GAS & MINING

R649-10-6

This is a letter of appeal requesting a review for the plugging and the abandoning of the Tomlinson Fee #1 gas well located in the Cisco field in Grand County Utah. (API 43-019-30964)

List of reasons for the extension..

1. Partner Oscar Anderson Died in Nov. 2010.
2. Manager was stricken with Parkinson's and Heart problems
3. Property is for sale with several interested buyers.
4. MIT test has been contracted out to a Petroleum Engineer Tariq Ahmad.
With the initial findings of casing integrity intact.
5. A copy of the fluid level test is being mailed to Encore ASAP.
6. Running Fox INC, has installed a new line with in 200 yards of the Tomlinson Well.
7. A gas flow test was witnessed at 41mcf per day. Making it the single largest gas well in the township.

We are asking for the extension of the MIT test, the sale of the property, and the connection to a sales line. Please feel free to contact me with any questions in regards to this matter. My number is 970-234-1431.
